

Enjoy New England's Largest Mural Walk!

Underwater spacemen, exotic shells, geometric shapes, community portraits, musicians, mosaics and much more are part of your six block walking tour of New London, Connecticut. You will discover the work of internationally acclaimed artists as well as aspiring local artist reflecting the rich cultural diversity of this small historic city on the Long Island Sound.

What is CamelTours?

Streetside with New London Mural Walk Artists is a CamelTour that presents the artists behind the murals. CamelTour is a free virtual docent that will enhance your walking tour experience with artist-narrated slideshows on your mobile device. Information for each mural can be accessed by scanning the QR code inside this brochure.
